

CURRICULUM VITAE

Ms. Tehmina Ayub

Assistant Professor Department of Civil Engineering,
NED University of Engineering & Technology, Karachi, Pakistan
tehminka@neduet.edu.pk

APPOINTMENTS

Department	Designation	BPS	Start Date
Civil Engineering	Lecturer	17	04-FEB-05
Civil Engineering	Lecturer	17	01-SEP-05
Civil Engineering	Lecturer	18	01-JAN-07
Civil Engineering	Assistant Professor	19	09-APR-08

EDUCATION

Ph.D. *		Universiti Teknologi Petronas ,Malaysia	
M.Engg.	Civil Engineering	NED University of Engg. & Tech., Karachi ,Pakistan	2007
B.E.	Civil Engineering	NED University of Engg. & Tech., Karachi ,Pakistan	2004

PUBLICATIONS

Year	RESEARCH PUBLICATIONS UPTIL 2010
2009	<ol style="list-style-type: none">1. “Performance of RC Beams Strengthened in Shear by Externally Bonded U-shaped Wraps” Khan, A. R. and Ayub, T., <i>in the Proceedings of 1st International Conference on Sustainable Built Environment Infrastructure in Developing Countries (1st SBEIDCO), 12-14 October, 2009, Oran, Algeria</i>2. “Role of U-shaped anchorages on performance of RC beams strengthened by CFRP plates” Khan, A. R. and Ayub, T., <i>in the Proceedings of Asia-Pacific Conference on FRP in Structures (APFIS 2009), 9 - 11 December 2009, Seoul, Korea.</i>
2008	<ol style="list-style-type: none">1. “Performance of Reinforced Concrete Beams Containing Steel Fibres”. Ayub. T and Rafeeqi, S.F.A., <i>Proceedings of Fifth International Specialty Conference on Fibre Reinforced Materials, 29-30 August-2008, Singapore.</i>
