

**PETROLEUM ENGINEERING STUDENT PARTICIPATION**  
**IN**  
**FEMMe SCHOLARSHIP PROGRAM**

**Ms. Zehra Naqvi**, Student of Third Year Petroleum Engineering (**Batch 2014-15**), NED University of Engineering & Technology, Karachi was selected for **FEMMe scholarship program**. She was one of two (02) candidates selected from **Pakistan**. A total number of only seven (07) candidates were selected for the final round that was held in **Budapest, Hungary** on 30<sup>th</sup>-31<sup>st</sup> January 2017. The participants were selected from a pool of twenty seven (27) Universities belonging to six (06) different countries around the globe; namely **Pakistan, Italy, Russia, Hungary, Slovakia and Croatia**.

FEMMe scholarship program was launched by the **MOL Group**, an international oil and gas company. The aim of this program is to improve the diversity of employee pool and attract increased **female participation in Oil & Gas sector**.

The trip to Hungary was funded by the **MOL Group**. Three (03) winners were announced by a jury. Although, **Ms. Zehra Naqvi** couldn't make it to the top 3 finalist positions, but it is a great achievement ,in itself, that she was able to make it to top seven (07) finalists, amongst candidates applying from all around the world.
