SCHOLARSHIPS FOR PAKISTANI STUDENTS

Indigenous Ph.D. Fellowship Program (5000 Fellowships) for Pakistani Nationals

The programme aims at awarding of 5000 PhD scholarships in various field of studies in different phases/Batches. The priority areas for research include Engineering Sciences, Pharmaceuticals, Biotechnology, Information Technology, Basic Sciences, Agricultural Sciences, Humanities/Social Sciences and Health Sciences. Scholarships however, are not restricted to specified subject/areas and may also be awarded to scholars who would like to conduct research in any area not specified in the programme.

The objectives of the scheme are:

To stimulate research and development activities in public sector Universities in Pakistan.
To create a critical mass of highly qualified human resources in all fields taught at the advanced level in the world. These locally qualified academics and researchers will improve the R&D potential of our teaching and research institutions and the training potentials of our universities (public as well as private) and feed the industrial sector.
To promote M.Phil/M.S (Engr) and Ph.D. courses and research work in all fields. These M.Phil, M.S. (Engr) and Ph.D. students will work on problems of interest to Pakistan and will address social and economical problems critical to the development of Pakistan.
The specific objective is to give scholarships to a total of 5000 students in five batches. 1000 Ph.D scholars in the first year as batch-I, starting from September 2003. These students will initially be enrolled in the respective M.Phil/M.S (Engr) programs at the Universities and will subsequently become Ph.D. scholars. Four batches of Ph.D students will follow in subsequent four years.

Objectives

The programme aims at awarding of 5000 PhD scholarships in various field of studies in different phases/Batches. The priority areas for research include Engineering Sciences, Pharmaceuticals, Biotechnology, Information Technology, Basic Sciences, Agricultural Sciences, Humanities/Social Sciences and Health Sciences. Scholarships however, are not restricted to specified subject/areas and may also be awarded to scholars who would like to conduct research in any area not specified in the programme. Test Changes

The objectives of the scheme are:

1. To stimulate research and development activities in public sector Universities in Pakistan.

2. To create a critical mass of highly qualified human resources in all fields taught at the advanced level in the world. These locally qualified academics and researchers will improve the R&D potential of our teaching and research Institutions and the training potentials of our Universities (public as well as private) and feed the industrial sector.

3. To promote M.Phil/M.S (Engr) and Ph.D. courses and research work in all fields. These M.Phil, M.S. (Engr) and Ph.D. students will work on problems of interest to Pakistan and will address social and economical problems critical to the development of Pakistan.

4. The specific objective is to give scholarships to a total of 5000 students in five batches. 1000 Ph.D scholars in the first year as batch-I, starting from September 2003. These students will initially be enrolled in the respective M.Phil/M.S (Engr) programs at the Universities and will subsequently become Ph.D. scholars. Four batches of Ph.D students will follow in subsequent four years.

Peking University scholarships
Summon 18 scholarships for the course of winter in Peking University. Candidates must be students of the Confucius Institute or grade students/graduate of the University of Granada, to study Chinese at the time of your request. Likewise, candidates must be between 18 and 30 years, enjoy good health and have some level of the Chinese language. The students of the Confucius Institute will have priority in the selection process.

Students who obtain one of these scholarships will benefit from the following coverage:

- Accommodation in a double room.
- Maintenance (Beijing University will provide students a card with a sum of money – TBD – for food in the University dining hall).
- Local transport for cultural activities and pick-up at airport.
- A tutor of the Confucius Institute will accompany the students during the course of winter.
- Course in the prestigious Centre of Peking University Chinese language teaching Chinese language and culture.

The cost of international flights for round-trip, visa and international medical insurance are not included in this grant and must be borne by each student.

The winter course will be held from February 25 to March 10, 2013 at Peking University. Interested students can download the program of the course of winter 2013. Programming includes the Chinese language course, classes of Chinese culture (calligraphy, history, martial arts, crafts, etc.) and cultural visits. The direction of the Confucius Institute will consider all submitted documentation to perform the valuation and the measure of the candidates. Applicants must provide a copy of the following documentation (in Spanish) before 12.00 hours on 18 January 2013:

- Photocopy of the passport (open photo and data).
- Photocopies of the certificate level of Chinese language/official HSK test or course certificate of language and Chinese culture of the Confucius Institute of the UGR.
- Photocopy of the receipt of enrollment of the course of Chinese who are studying at the moment at the Confucius Institute.
- Photocopy of University academic records.

Stakeholders must deliver personally at the Office of the Confucius Institute complete documentation within the application deadline (9 to 18 January 2013). Stakeholders must comply without exception with the following performance calendar:

- 18 January 2013: at 12.00 hours the application deadline closes.
- 21 January 2013: at 12.00 hours will be published the provisional list of admitted and the list of alternates. An informative email will be sent to all applicants. Opens a period of 24 hours so that students admitted confirm your place by email (iconfucio@ugr.es).
- 23 January 2013: at 12.00 hours will publish the final list of admitted students. A private event on Facebook to advise all students admitted will be created.
- 25 January 2013: summon the 18 students admitted to a briefing at 10 a.m. hours in the Office of the Confucius Institute. The attendance of all students admitted, is recommended since at that meeting will be given admission in the course of winter leaf and talk about the program of the course, the international flight, visa processing and international medical insurance.
- 5 February 2013: admitted students must deliver in PDF and email the full itinerary for your international flight. At the meeting several options will be offered so that all students travelling together with the tutor on the same flight.
- 12 February 2013: admitted students must deliver in PDF and email the official document of the international medical insurance. The meeting will be offered various options for such insurance.
15 February 2013: students must be in PDF and email a photocopy your Visa scanned for China. Information on the processing of the visa, which already can be found in this section of our website will be offered at the meeting.
25 February 2013: starts the course of winter 2013.
10 March 2013: completes the course of winter 2013.

aid shall be granted in the course of the ceremony which will take place on February 16, 2013.

presentation call for proposals implies acceptance of these rules. Anything that is not provided for shall be resolved by the CatalunyaCaixa Foundation. The resolution of the assessment Committee is final.

Valencia college scholarships

Convened scholarships for university studies during the academic year 2012-2013 at the universities of the region of Valencia.

for their granting shall take into account the economic ability and academic achievement, without prejudice to coordination with the general system of scholarships and study grants.

El Consell, conscious of the need to invest in human capital formation, intends to continue in this line to broaden the scope of the scholarships and grants to ensure that they reach a majority of University students in the region of Valencia, and thus promote competition, equality of opportunity and excellence in academic performance.

for this purpose, the Decree 40/2002 of 5 March (DOGV 4207: 11.03.2002), of the Valencian Government’s support measures for university students in the Valencian Community, modified by the Decree 88/2006 of 16 June (DOGV 5284: 20.06.2006), ordered that aid for exemption from the payment of rates would be established by University academic services.

the referred decree 88/2006 extends the coverage of these AIDS to students studying in the private universities in the region of Valencia.

article 148.3 of the text revised from the law of rates of the Generalitat Valenciana, approved by Legislative Decree 1/2005, of 25 February, establishes that they compensate the universities the amount of fees not satisfied by the scholarship students. Given the nature of these grants, which are directed to a collective that does not pursue economic activity, these subsidies, by the very nature of the beneficiaries who are aimed, are excluded from the application of the principle of incompatibility with the common market formulated in article 107 of the Treaty on the functioning of the European Union, not being, therefore, compulsory notification to the European Commission.

compensation to public universities in the amount of rates not met by students who are granted exemption and the payment of the tuition assistance to students in private universities, will be conditional on the existence of adequate credit and enough for this purpose in the budgets of the Generalitat for the year 2013.

you can apply for the scholarship for university studies during the academic year 2012-2013, in any of the following lessons: 

to) University teaching adapted to the European space of higher education leading to official degrees Bachelor’s and master’s degree.

b) the conducive to obtaining the titles of Licentiate degree holder, engineer, architect, diploma / a, teacher, engineer, engineer and architect/technical.
c) complementary training to access or obtain the degree of master’s degree or to pursue official undergraduate studies.

do not include in this call exemptions or aid for the accomplishment of studies corresponding to the third cycle or doctorate, specialized studies or studies leading to the master of own titles of the universities.

for students enrolled in public universities, the scholarship will consist in exemption from payment of the amount of enrolled credits.

for students of private universities this scholarship will consist of a support for the payment of tuition fees of the credits that the student is enrolled. The amount of this tuition assistance shall not exceed the amount established in the Decree 110/2012 cited above, for the same or similar qualifications and curriculum. for students of second and subsequent courses, the grade point average provided for reference 1 above is obtained accordance with base twelve of this order. Addition, subjects in which the student, in the
PhD Studies in the United States for Pakistani Nationals

Pre-STEP Scholars Program in Education

PhD Studies in the United States
For Academic Year 2010-2011

The USAID’s Pre-Service Teacher Education Program (Pre-STEP) is pleased to announce a scholarship competition for Pakistani nationals to pursue PhD degree studies in the field of education in the United States. The Pre-Service Teacher Education Program in Pakistan is a 5 year program funded by the United States Agency for International Development (USAID) to support pre-service teacher education throughout Pakistan. The purpose of the scholarship program is to strengthen the capacity of faculties of education and other teacher preparation institutes to implement the Government of Pakistan’s new four-year Bachelor of Education degree program, B.Ed. (Hons). Priority will be given to the fifteen universities that form the core of Pre-STEP’s program for capacity building in education. The fifteen (15) Pre-STEP partner universities are:

1. Allama Iqbal Open University, Islamabad;
2. Fatima Jinnah Women’s University, Rawalpindi;
3. IER, University of Punjab, Lahore;
4. University of Education, Lahore;
5. Bahauddin Zakariya University, Multan;
6. to go on to the next phase of the competition. Visit the NTS website at www.nts.org.pk and register for the NTS GAT (General) Test nearest you. This examination has been specifically arranged for the Pre-STEP Scholars program. Based upon the NTS scores, applicants will be shortlisted for taking the GRE/TOEFL preparatory classes supported by Pre-STEP. Classes will be arranged in major cities around the country; however, it is not possible to conduct these trainings in each and every city. Limited seating may available and will be offered on a first-come-first serve basis. Pre-STEP will pay for the class fee and no other cost; candidates will pay for all other related costs. After the preparatory classes, candidates will take the international GRE and TOEFL tests; Pre-STEP will pay the registration fees for the tests; candidates will pay for all other related costs. Testing needs to occur by second week of January 2009. Candidates with exceptional NTS scores may be requested to bypass preparation courses and take the GRE and TOEFL examinations. Semifinalists will need to complete a full Pre-STEP application, available on the Pre-STEP website at www.prestep.org in December 2009. Send the completed application with required documents to: scholarship@prestep.org by February 15, 2010. Pre-STEP Scholars Program in Education: Based on the application and GRE/TOEFL scores, the Pre-STEP Selection Committee will shortlist candidates for interviews. After the interviews, the Committee will select candidates based on their portfolios (NTS scores, GRE/TOEFL scores, Pre-STEP applications, and results of the interviews). Pre-STEP will work with the selected candidates to complete applications for admission to a U.S. university.8. Candidates selected to apply for PhD programs must submit the following documentation to verify their institutional affiliation: Recent graduates (2007, 2008, 2009) of the Faculties of Education at the fifteen (15) Pre-STEP partner universities: An employment offer letter from one of the Pre-STEP partner universities or HEC will be required. Members of faculties of education and other faculties at Pre-STEP partner universities and at public sector universities not included in Pre-STEP: Letter from dean and vice chancellor confirming that if selected for the Pre-STEP scholarship, the candidate will serve in the faculty of education of that university for a minimum of five (5) years. Educators and education managers working in teacher training institutions under the authority of provincial education departments (PITE, RITE, GCET and BOC) as permanent employees: Letter from Secretary of Education confirming that if selected for the Pre-STEP scholarship, the candidate will serve in the same agency/department/institution for a minimum of five (5) years. Candidates selected for admission to a PhD program in the United States will be required to sign USAID agreements and conditions of sponsorship forms as well as a bond with the employing university or provincial department of education.
on condition of serving with the employing agency for at least five (5) years upon completion of the PhD program and return to Pakistan. Important Notes

Decisions of the Pre-STEP Scholars Selection Committee (MOE, HEC, USAID, and Pre-STEP) are final. Enquiries or disputes regarding decisions will not be entertained. Candidates with no or very little foreign experience will be given preference. Women, disadvantaged groups and people with disabilities are encouraged to apply. The Selection Committee will strive to achieve a fair distribution of scholarships. Confirmation of the award of scholarship is contingent upon the candidate receiving admission to a U.S. university and obtaining a J-1 Exchange Visitor’s visa to the U.S. Candidates are required to have a valid Pakistani passport. A valid passport is required for registration for the GRE and TOEFL tests.

Royal Holloway, University of London Scholarships for Pakistani Students

Open Society Institute/ FCO Chevening/Royal Holloway, University of London Scholarships 2010-11

Guidance Notes For Applicants

1. What do the scholarships offer? The OSI/FCO Chevening/Royal Holloway University of London Scholarships aim to provide opportunities for independent postgraduate study in the United Kingdom for students who are engaged in or intending to pursue postgraduate work in their own country and who have demonstrated both academic excellence and the potential to become leaders, decision-makers, and opinion formers in their own country. Subject to satisfactory progress, the scholarships lead to the award of a master’s. Scholarships are available for study in MSc Democracy, Politics and Governance MSc Medical Sociology. Each scholarship provides tuition fees at Royal Holloway, University of London, a stipend to cover living costs (for one person only) and return air travel from the scholar’s home country. On completion of the scholarship, scholars will return to their home countries to continue their studies/work there.

2. Who is eligible to apply? Applicants must be nationals of, and resident in Pakistan during the academic year in which they apply for the award; applicants who are temporarily out of the country (for a total period of less than three consecutive months) may be treated as being resident; display intellectual ability and leadership potential; already hold (or expect to hold by the time of taking up the award) a degree of an equivalent standard to a good UK second-class Honours degree; have passed an appropriate English language test by the time of taking up the award; have not already received or be currently receiving financial benefit from a previous HMG fully funded Scholarship; return to their home country at the end of their scholarship period to continue their studies / work there. Preference will go towards applicants who have not previously studied outside of their home country. Employees, employee’s relatives (or former employees who have left employment less than 2 years before) of FCO (including FCO Posts), the British Council, the Educational Advising Centers or other OSI representations in the region and the participating Universities will not be eligible to apply for these awards.

3. How can I apply? You should complete the University’s application form ‘Application for a Taught Postgraduate Programme of Study’. You should also provide copies of the other documents listed on page 6 of the application form. The completed forms and other documents must be returned to your local British Council at the address below by 2nd February 2010 (see below address and contact details). One original set of the application pack and two copies thereof should be submitted.

4. How does the selection procedure work? a) All completed applications received by your local British Council by the deadline will be forwarded to the Royal Holloway, University of London. Academic staff at the University will compile a short-list.

b) Short-listed applicants will be invited for an interview and an English language test in their home country at the end of March or the beginning of April. You should keep yourself free around this time.

c) Interviews will be carried out by representatives of OSF and the Foreign and Commonwealth Office. In certain cases, there may also be a panel member representing the interests of the University.

d) The final awards will be decided jointly by the University, the FCO and OSF-London. Candidates will be informed in June.

e) Please note that the staff at your local British Council is not involved at all in the decision-making process. They will tell you as soon as they can whether or not you have been successful. Please understand they will not be able to inform you until they have been told by Royal Holloway, University of London and OSF-London. Please note that all successful applicants will be invited to attend a 1-month preparatory academic writing summer school in July or August 2010. The Network Scholarship Programmes’ (NSP) Pre-Academic Summer Program is designed to prepare NSP grantees for successful academic experiences in the UK. Successful applicants will be provided with the opportunity to refine their research and writing skills through intensive courses in
academic writing and social sciences. The exact date and location of the summer school will be available at a later stage of the selection process. 5. How can I find out more about Royal Holloway, University of London? Read the University’s Postgraduate Prospectus at http://www.rhul.ac.uk/Graduate-School/index.htm. Your local British Council will be able to make a copy available for you to consult. You will not, however, be able to take this copy home. Visit the University’s Home Page www.rhul.ac.uk. Who should I contact if I have any questions? Please make use of all of the written documentation available to you: these guidance notes, the University’s Postgraduate Prospectus, the guidance notes included with the University’s application form of ‘Application for A Taught Postgraduate Programme of Study’. If you have any queries about the guidance notes, then you should contact either your local British Council or Ms. Inga Pracute. Program Coordinator, Open Society Foundation 5th Floor, Cambridge House 100 Cambridge Grove, London W6 0LE, United Kingdom. Tel: (+44-207) 031 0225 Fax: (+44-207) 031 0201 inga.pracute@osf-eu.org. If you have any academic questions, then you should direct these to the appropriate department at Royal Holloway, University of London (listed in the University’s Postgraduate Prospectus). 7. **HEC-SAMAA TV Scholarship Program Spring / Fall 2009, Pakistan**

JAAG BROADCASTING SYSTEMS (PVT) LTD, SAMAA TV realizes the importance of strengthening and developing human resource. SAMAA TV, being a responsible corporate citizen, is launching a scholarship programme for students currently enrolled in Masters in Mass Communication, Journalism or Media Studies (Spring / Fall 2009 session), offered at all Public sector Universities/ Degree Awarding Institutions across Pakistan. The scholarship is targeted for those, who are striving towards better education but lack the financial resources.

HEC and SAMMA TV have signed a memorandum of understanding (MoU) on 20th October, 2008, for the joint implementation and management of SAMAA scholarship program.

Higher Education Commission (HEC), as part of its public private partnership initiative has joined hands with SAMAA TV for promotion of higher education in Pakistan. HEC is already managing a wide array of scholarship programs, sponsored by the Government of Pakistan.

This collaboration between a public entity i.e HEC and a private entity i.e SAMAA TV will serve as a model of Public Private Partnership program for other corporate entities.

On completion of the education, the successful scholarship holder will be offered a one year job contract with SAMAA TV, with a salary at par with the industry standard and in desired department.

SAMAA TV has taken a leadership role in contributing to society through a structured social investment program, which aims to integrate the economic, social and environmental needs of the local communities.

Their social investment projects are a testimony to the company’s commitment, targets and performance in delivering on our environmental and social responsibilities.
Primary objective of this scholarship program is to support those who possess merit and are in need of financial resources to pursue higher studies in the field of Mass Communication, Journalism or Media Studies in public sector universities.
