

THE ARCHIVES DAP-NEDUET
Annual Report (2007 - 2008)

DAP-NED Archives

The Archives DAP-NEDUET has developed in the current year as a full-fledged research and resource center. The unit houses multiple types of resource material related to architecture and planning and is organized in eight sections; namely Print Section (with sub-sections of Books, Journals, Reports, Newsletters Section etc.), Newspaper Section, Map Section, Multimedia Section, Student Works Section (with sub-sections of Thesis, Reports and Portfolios Section etc.), Slides and Images Section, Catalogue Section, Special Archives, Printing and Scanning Section. A small in-house and highly motivated group of faculty and staff members manage this facility which possesses 1004 books, 537 periodicals, 756 reports, 228 thesis, 263 newsletters, 207 maps, 720 slides, 210 multimedia material etc. Extra-curricular activities of the students such as the Book Club and the Movie Club are also housed within the Archives and are managed by the Archives staff. In addition to the development of a management system, organization of in-house training of staff, the Archives staff has been working on several research projects which include bibliographic publications on selected themes and development of Karachi Archives.
