

# Call for Papers

## ORGANIZERS

### CONVENER

Prof. Dr. Asif Ahmed Shaikh  
 Dean Faculty of Chemical and Process Engineering,  
 NEDUET

### CO-CONVENERS

Dr. Ali Dad Chandio  
 Chairman, Dept. of Metallurgical Engineering,  
 NEDUET

Dr. Atif Mustafa  
 Chairman, Dept. of Environmental Engineering  
 NEDUET

Prof. Dr. Mir Shabbar Ali  
 Dean, Civil & Architecture, SSUET

### CONFERENCE SECRETARIES

Dr. Fayyaz Hussain  
 Ag. Chairman, Department of Materials  
 Engineering, NEDUET

Dr. Mehmood Ali  
 Associate Prof. Dept of Environmental Engg.  
 NEDUET

## IMPORTANT DATES

June 7, 2021 (Extended abstracts)

June 11, 2021 (Acceptance/ rejection notification)

Full Paper submission (June 15, 2021)

No Registration fees

Registration is Mandatory before 23  
 June, for attending the conference

For Details

For Registration

## Introduction

Department of Metallurgical Engineering and Environmental Engineering, NED University of Engineering & Technology, Pakistan announce the 1st International Conference on Advances in Material Science and Environmental Engineering 2021 (ICAMSEE-2021) on 25-26 June 2021. This two-day conference is devoted to simulating engagement, networking, and collaboration among researchers from renowned universities and professionals from different institutions to encourage knowledge and technology exchange by sharing strength for mutual benefit.

## Aims and Objectives

International Conference (ICAMSEE-2021) aims to bring together leading academic scientists, researchers, and research scholars to exchange and share their experiences and results relevant to the field of Material Science and Environmental Engineering. It also provides a premier interdisciplinary platform for researchers, practitioners, and educators to present and discuss the most recent innovations, trends, and concerns as well as practical challenges encountered, and solutions adopted in the fields of Material Sciences and Environmental Engineering. This conference provides opportunities for the delegates to exchange new ideas and application experiences face to face, to establish networking and find global partners for future productive collaborations.

## Conference Sessions

The papers to be presented will cover the following topics:

- Advanced Materials
- Process Engineering
- Nanotechnology
- Thin Films
- Packaging Science
- Corrosion and Surface Engineering
- Materials for Sustainability
- Environmental Sustainability
- Water and Wastewater Treatment
- Pollution Control
- Microbial Ecology
- Renewable Energy

(NED University research showcasing will be the part of conference)

Selected papers will be published in an internationally reputed journal  
 1 CPD point for professionals

Main Campus, NED University of Engineering and Technology University Road, Karachi-75270, Pakistan

Guidelines on Extended abstract and submission procedure are available at: <https://icamsee.neduet.edu.pk>

Contact: Dr.-Ing. Iftikhar Ahmed Channa +92-3343416478 (iftikhar@neduet.edu.pk)

Dr. Abdul Ghaffar +92-3332348022 (abulghaffar@neduet.edu.pk)
