Field	Details
MoU Name	MoU between NED University of Engineering & Technology and Helping Hand for Relief and Development HHRD
Signed Date	July 25 2024
Validity	-
Brief Description	This Memorandum of Understanding (MoU) between NED University of Engineering and Technology and Helping Hand for Relief and Development (HHRD) establishes a framework for financial assistance/scholarships for needy and deserving first-year undergraduate students. HHRD commits to providing funds of Rs. 1,100,000 annually for this purpose, which directly supports SDG 4: Quality Education by ensuring inclusive and equitable access to higher education for the underprivileged. Furthermore, the collaboration includes utilizing NED volunteers in HHRD's programs, which fosters youth development and aligns with the spirit of SDG 1: No Poverty by alleviating financial barriers to education.
