

Rashid Latif Cricket Academy – 2024

Field	Details
MoU Name	MOU Between Rashid Latif Cricket Academy and NED NED University of Engineering & Technology, Karachi
Signed Date	July 30 2024
Validity	-
Brief Description	<p>This Memorandum of Understanding (MoU) establishes a partnership between NED University of Engineering and Technology and Rashid Latif Cricket Academy (RLCA) to develop and promote sports excellence. The collaboration focuses on utilizing the University's Sports High Performance Resource Centre for advanced scientific assessments, including Biomechanical and Kinesiological Assessments, for player performance enhancement, injury prevention, and rehabilitation. This unique initiative contributes to SDG 3: Good Health and Well-being by promoting physical health and preventing sports-related injuries through scientific methods. It also supports SDG 4: Quality Education by using university resources and expertise for specialized training and research, effectively bridging the gap between sports and engineering science.</p>
SDGs Mapping	SDG: 3 and 4
