

## GIZ – 2024

Field	Details
MoU Name	MOU Between GIZ and NED University of Engineering & Technology
Signed Date	May 15 2024
Validity	-
Brief Description	This MoU aims to train NED University staff on the "Dialogue for Sustainability (DfS)" methodology to improve productivity, labour standards, and environmental performance in the industrial sector. GIZ provides Training of Trainers (ToTs) on the EU Green Deal and Sustainability to enable NED to conduct industrial consultancy projects. This international partnership supports SDG 8: Decent Work and Economic Growth and SDG 12: Responsible Consumption and Production through promoting sustainable industrial practices.
SDGs Mapping	SDG: 8 and 12.
