

## **WAVETEC PVT LTD, Karachi – 2024**

Field	Details
MoU Name	Contract Agreement between NED University of Engineering & Technology & Neurocomputation Laboratory, National Centre of Artificial Intelligence and WAVETEC PVT LTD, Karachi (Prof. Dr. Fayyaz Hussain and Dr. Haider Ali)
Signed Date	February 01 2024
Validity	2.5 Months
Brief Description	This Contract Agreement establishes a collaboration for a pilot project focused on the modelling and design of a hub motor for 2-wheeler electric vehicles (EVs), aiming to develop and enrich associated technologies. This joint research effort directly supports SDG 9: Industry, Innovation, and Infrastructure by fostering technological development in the EV sector. By promoting cleaner transportation solutions, the project also contributes to SDG 13: Climate Action and a more sustainable environment.
SDGs Mapping	SDG: 9 and 13.
