

## AI Engineering, Inc. USA – 2024

Field	Details
MoU Name	MOU between AI Engineering, Inc. USA and NED University of Engineering & Technology
Signed Date	January 11 2024
Validity	02 years
Brief Description	This MoU formalizes collaboration between NED University and AI Engineers, Inc. (AIE), an engineering consultancy, for mutual development and promotion in fields of shared interest. The objectives include exploring R&D projects and joint technical services in areas like infrastructure engineering, strongly supporting SDG 9: Industry, Innovation and Infrastructure. It also covers workshops and training, contributing to SDG 4: Quality Education by linking academic research to industry innovation.
SDGs Mapping	SDG: 4 and 9
