

HUAWEI TECHNOLOGIES PAKISTAN (PVT) LTD – 2026

Field	Details
MoU Name	Memorandum of Understanding (MoU) between Huawei Technologies Pakistan (PVT) LTD and NED University of Engineering and Technology, Karachi, Pakistan
Signed Date	August 3, 2026
Validity	03 Years
Brief Description	The purpose of this MoU is to establish a cooperative working relationship between NEDUET and Huawei. The collaboration focuses on the following areas: 1. Establishing an integrated centre at the NED University main campus for up-skilling and re-skilling programs, with Huawei providing the renovation, furniture, and advanced ICT equipment, and NED providing the physical space and security. 2. Enhancing the practical capabilities of the university faculty by inviting them to join active, real-world projects, and providing an internship program for high-performing graduates to align them with telecom industry requirements. 3. Utilizing advanced transmission, wireless, and power equipment within the practice centre strictly for non-commercial, educational, and demonstration purposes in relevant courses like Networking and Wireless Communication. 4. Acting as a training hub for Huawei staff and its subcontractors to develop technical skills up to international standards, creating opportunities across the telecom sectors of Pakistan and the Middle East region. 5. Utilizing the facility to host commercial training programs, with the resulting revenue to be shared between both parties under separate definitive agreements.
