

NED ALUMNI ASSOCIATION SOUTHERN CALIFORNIA (NEDAASC) – 2026

Field	Details
MoU Name	Memorandum of Understanding (MoU) Between NED University of Engineering and Technology, Karachi, and NED Alumni Association Southern California
Signed Date	April 27, 2026
Validity	01 Year
Brief Description	The purpose of this MoU is to foster collaboration between NEDUET and NEDAASC in the following areas: 1. Renewable Energy Infrastructure: Supply, installation, testing, and commissioning of a 30 kW On-Grid Solar PV System on the roof of the Student Affairs Department at NEDUET. 2. Technical Engineering & Grid Integration: Implementation of mounting structures, detailed technical drawings, and net metering integration to optimize energy production aligned with industry standards. 3. Project & Financial Collaboration: Joint execution supported by a USD 10,000 donation from NEDAASC, with NEDUET overseeing vendor management and project delivery. 4. Operations & Maintenance: Provision of post-installation maintenance services for one (01) year along with warranty and system documentation handover.
SDGs Mapping	SDG 7: Affordable and Clean Energy SDG 11: Sustainable Cities and Communities SDG 13: Climate Action SDG 17: Partnerships for the Goals
