

## Rapid Notifier App

NED University is pleased to inform that Centre for Software Research & Development (CSR D) at Department of Computer Science & Information Technology has developed NED University mobile app 'Rapid Notifier' to share official notifications with the faculty, students and other employees of the University. This App is available both at Google play and AppStore.

All faculty members and students are requested to download the app.

For student login:

User name: Nedian

Password : 12345

For faculty signup:

Enter your email address and follow the instructions.
