

Join as Professor/Associate Professor on PPL Chair

The University is looking for a highly self-motivated and result oriented individual for the **Pakistan Petroleum Limited (PPL) Chair in Petroleum Engineering at Pakistan's premium engineering institution, NED University of Engineering and Technology. The Chair will have the following responsibilities:**

- Update undergraduate and graduate programmes in line with those of leading international universities and the changing requirements of the energy industry.
- Strengthen research infrastructure of the department for research work in the fields of Reservoir Engineering, Tight Gas / Shale gas development, Drilling Engineering, Production Engineering, Well Testing, and Application of Data Analytics and sustainable development in Petroleum Engineering.
- Stimulate innovative appropriate research through the development of appropriate research laboratories.
- Develop strong linkage and collaboration with leading international universities and research institutes
- Develop strong linkages with the Petroleum Industry.

Education & Work Experience:

Minimum qualifications required for the PPL Chair are:

- Ph.D. degree in the related Engineering field, preferably in Petroleum Engineering from a university of international repute with international industrial experience of 20+ years is required for Professor and 15+ for Associate Professor.
- Clear evidence of individual and collaborative research through significant publications and/or patents. The number of publications required for the post of professor are 15 and 10 for Associate Professor, which must be published in HEC recognized International journals.
- Strategic vision for developing Research Programmes of International Standard.
- Capability to integrate undergraduate and graduate programmes into industrial partnerships, while adding to existing strengths of the University.

- Proven leadership ability with experience in project supervision, strategic planning and implementation.
- The applicant could be from any country having diplomatic relations with Pakistan, regardless of gender and age. The maximum age limit is 65 years.

The appointment will be initially for one year which may be extended on satisfactory performance. An internationally competitive remuneration package shall be offered to the right candidate.

Application for the above position on prescribed forms should reach the undersigned on or before **March 31, 2022**, during office hours. Each application should contain Bio-Data, attested photocopies of Educational Certificates from High School and onwards, experience testimonials, Passport and Two (2) References.
