'SAY NO TO CORRUPTION'

Dated: 2nd Nov, 2026

The Teach For Pakistan Fellowship 2027 is Now Open for Applications!

This is where your leadership meets purpose. And your purpose becomes impactful.

Teach For Pakistan's Fellowship Program is a paid, highly selective, two-year leadership development experience that places outstanding graduates in government and low-cost private schools across underserved communities in Islamabad and Karachi. Through hands-on teaching and community engagement, Fellows work to expand opportunities for children, simultaneously honing their own leadership skills.

Lasting change in any system begins with effective leadership. This Fellowship is the first stepping stone, bringing you into a movement that builds justice, hope, and opportunity through education. Over two years, Fellows grow into leaders who work at the grassroots, understand the complexities of our education system, and are equipped to drive long-term change.

Teach For Pakistan is a partner of the global **Teach For All network,** spanning 60+ countries working collectively to ensure every child can fulfill their potential. Our **Alumni**, such as Fatima Jamil Khan went on to earn a Master of Education (M.Ed.) in International Education Policy and Management from Vanderbilt Peabody College as a Fulbright Scholar. She has worked with the Government of Sindh, the State Bank of Pakistan, and the United Nations to create sustainable policies and implementation mechanisms for children with disabilities. She currently serves as Director of Programs at NOWPDP.

If you are ready to take ownership and lead the change from the ground up, this is where it begins!

👉 **Apply Now:** https://www.tfaforms.com/5237252

Early Action Deadline: 10th January 2027
