# Build your Career as Graduate Trainee

A leading and progressive group offers multiple prospects for young graduates looking for a challenging and promising career. We constantly endeavor to foster a culture of care, respect & excellence by nurturing their future through our purpose built, result oriented and sophisticatedly designed Graduate Trainee Engineers.

## Eligibility Criteria

Fresh graduates (only male) having 16 years education from accredited institutions recognized by HEC and PEC with a minimum CGPA of 3.00 in the following disciplines:

- -Mechanical Engineering
- -Chemical Engineering
- -Electrical Engineering
- -Electronic & Mechatronics Engineering
- -Agriculture ■ -Computer Science
- -Business Studies

## Training Program

Our Graduate Trainee Engineers Program is not merely about hiring and grooming young graduates by capitalizing on their technical based developed at universities, rather the quintessence of this program is to foster excellence in the young flag bearers and nurture future leaders. This equips them with the competences and confidence to take up greater professional responsibilities. After the completion of Program, successful Trainees will assume role of Shift Engineer/ Officer cadre in their respective departments.
