The 'Career Fair 2025,' scheduled to take place in the Main Fountain Area on tentatively **19 November 2025**, from 9:30 AM to 4:30 PM, is an exciting announcement from the Directorate of Industrial Liaison (DIL) at NED University of Engineering & Technology.

OBJECTIVES OF CAREER FAIR 2025

- Connect graduating students with potential employers and industry leaders.
- Showcase the skills and capabilities of NED University graduates.
- Facilitate job placement, internship, industrial visits, final year design projects, cooperative (Co-op) education programme, and faculty industrial placement programme (FIPP) opportunities for undergraduate students.
- Strengthen industry-academia relationships.

DESCRIPTION

The Graduating Career Fair 2025, organized by the Directorate of Industrial Liaison, is a key event aimed at bridging the gap between students and employers. It provides a platform for graduating students to meet with companies, explore career opportunities, and secure positions in various industries. The fair features company booths, networking, and workshops (as per need) to prepare students for the job market.
