# INDUSTRIAL COLLABORATION

MoU Signing: DIL - NED | Pakistan Machine Tool Factory

The Directorate of Industrial Liaison (DIL), NED University of Engineering & Technology, and Pakistan Machine Tool Factory (PMTF) have officially signed a Memorandum of Understanding (MoU) during the Career Fair 2025 at NED University.

This strategic partnership marks another significant milestone in strengthening the bridge between academia and industry, paving the way for collaborative research, knowledge exchange, and professional development opportunities for students and faculty members.

The MoU signing ceremony was graced by:

- Vice Chancellor | Dr. Muhammad Tufail
- Registrar | Syed Ghazanfar Hussain
- Director Industrial Liaison | Dr. Ali Zulqarnain
- Joint-Director Industrial Liaison | Prof. Dr. Haider Ali
- Director Admin & Security, PMTF | Brig. (Retd.) Abdul Rashid
- Principal Skill Development Institute, PMTF | Ghulam Raza Jafary
- Senior Management of NED University and PMTF

This collaboration reflects a shared vision of empowering emerging engineers through innovation, skills development, and experiential learning.

DIL extend our sincere appreciation to the PMTF team for their proactive commitment and ongoing collaboration in Internships, Job Placement, FYDPs, Industrial Visits, R&D activities, and other industrial engagements. Together, we look forward to initiatives that will drive impactful contributions toward a more sustainable, productive, and innovative future.

*"Collaborate • Innovate • Transform: Academia - Industry - Government Partnerships!"*
