'SAY NO TO CORRUPTION'

INDUSTRIAL COLLABORATION

MoU Signing: DIL - NED | Ismail industries

A Memorandum of Understanding (MoU) has been formally signed at Ismail Industries Limited's premises by the Directorate of Industrial Liaison (DIL), NED University of Engineering & Technology, and Ismail Industries Limited.

By facilitating research collaboration, knowledge exchange, and professional development opportunities for academics and students, this relationship marks yet another significant turning point in the advancement of academia-industry engagement.

Senior management from NED University and Ismail Industries Limited graced the signing ceremony of the MoU, demonstrating a shared commitment to meaningful cooperation.

DIL would like to express our sincere gratitude to Ismail Industries Limited for their ongoing assistance and cooperative efforts in Internships, Job Placements, FYDPs, Industrial Visits, R&D activities, and other industrial linkages.

DIL look forward to working together to advance projects that help create a future that is more inventive, productive, and sustainable.

"Collaborate • Innovate • Transform: Academia - Industry - Government Partnerships!"
