# INDUSTRIAL COLLABORATION

## MoU Signing: DIL - NED | Logiciel Services

A Memorandum of Understanding (MoU) was formally signed by the Directorate of Industrial Liaison (DIL) - NED University of Engineering & Technology, and Logiciel Services at the NED University Career Fair in 2025. DIL's continuing efforts to improve relationships among academia, industry, government are strengthened by this new collaboration, which opens doors for collaborative research, knowledge exchange, industrial engagement, and professional development opportunities for both students and faculty. The scope includes Internships, Job Placements, FYDPs, Industrial Visits, Cooperative Education (Co-op), Faculty Industrial Placement (FIPP) Programmes, and other industrial engagement.

The following dignitaries were present at the signing ceremony of the MoU:

- Vice Chancellor | Dr. Muhammad Tufail
- Registrar | Syed Ghazanfar Hussain
- Director Industrial Liaison | Dr. Ali Zulqarnain
- Joint Director Industrial Liaison | Prof. Dr. Haider Ali
- CTO, Logiciel Services | Syed Adeel Hussain Kazmi
- Senior Management of NED University and Logiciel Services

Through innovation, skill development, and hands-on learning, our partnership reflects a shared vision to empower upcoming graduates. We sincerely thank the Logiciel Services team for their dedication to and ongoing support of academic-industry cooperation. We anticipate working together to advance significant projects that help create a future that is more inventive, productive, and sustainable.

*"Collaborate • Innovate • Transform: Academia - Industry - Government Partnerships!"*
