

About CarFirst:

CarFirst is transforming the way cars are traded in Pakistan with a network across the country and aspirations to expand geographic footprint locally and internationally. CarFirst is a very well-funded organization. We are in operation since 2016 and have been able to raise two of the largest VC investment rounds from some of the most prestigious investors from across the world.

What is the program about?

The CARFIRST Apprenticeship Program includes an elite team of excellent performers who are building the future of our company. You will quickly rotate through entry level assignments in our Commercial Department while completing core training exercises. You will then be assigned a Vehicle Diagnosis role at one of our Purchase Centers. Our most successful candidates will be given a permanent position in the organization.

What our Commercial Teams actually do?

Commercial department is the largest department in CarFirst, encompassing Auctions Team, Pricing Team, Repair Maintenance Team and the Vehicle Inspection Team. Vehicle inspection team works at the core of the company's business, by checking the vehicles condition and generating report on which the vehicle is then priced, purchased and sold. The inspection team evaluates the vehicle condition by thoroughly checking the vehicles mechanical and body condition for faults, repair work, availability/originality of necessary and price effecting parts/accessories, vehicle drive and genuineness of the vehicle.
