

Cooperative Education Program (NED University & Pakistan Cables)

1st Phase 27th September to 16th October 2021

- Co-op Education program was initiated in April 2021. MoU with Pak Cables was signed on 07th July 2021. Internship opportunities were provided to 4 students of electrical engineering department with stipend.
- Students successfully completed their 1st phase of internship in their semester break. Same students will be doing internships in their next semester breaks till the time of their graduation to make a smoother education-to-work transition.
- Glimpse of the internees at Pakistan Cables having great industrial exposure.

Student Details

S. No.	Name with Father Name	Discipline	Roll No.	Batch
1.	Ubrud D/o. Muhammad Anis	Electrical Engineering	EE-182	2020
2.	Areasha Zafar D/o. Zafar Ahmed	Electrical Engineering	EE-054	2020
3.	Javeria Arif D/o. Muhammad Arif	Electrical Engineering	EE-163	2020
4.	Aiman Mahmood D/o. Mahmood Ahmed	Electrical Engineering	EE-052	2020
