'SAY NO TO CORRUPTION'

28-07-2026

This fellowship offers hands-on industry experience focused on building secure, scalable, and innovative **Financial Technology (FinTech)** systems integrated within a modern corporate environment. Fellows will work alongside senior engineers on digital financial workflows, payment structures, and data-driven solutions.

Given your institution's specialized curriculum in Financial Technology, we believe your fresh graduates would be an ideal fit for this cohort.

Eligibility Criteria

- **Education:** Fresh graduates with a Bachelor's degree in Financial Technology (FinTech).
- **Skills:** Strong programming, analytical, and data-handling skills.
- **Aptitude:** Passion for financial technology, digital payment systems, regulatory/compliance tech, and continuous learning.
- **Soft Skills:** Ability to work effectively in a collaborative team environment.

Fellowship Focus Areas (FinTech Centric)

Participants will gain direct, practical exposure to core FinTech operations, including:

- **FinTech Software Development & System Architecture**
- **Financial Data Analytics & Reporting Tools**
- **API Development & Payment Gateway Integration**
- **Database Design & Secure Transaction Management**
- **AI/ML Applications in Financial & Risk Modeling**
- **Quality Assurance & Security Testing for Financial Workflows**

Fellowship Details

- **Duration:** 2 Months
- **Start Date:** 3rd August 2026
- **Stipend:** PKR 30,000 (Total for the entire fellowship)
- **Perks:** Official Certificate of Completion upon successful completion.
- **Career Growth:** Outstanding fellows may be evaluated for future **full-time employment opportunities** at Crescent Care based on performance and organizational needs.
