ICI PAKISTAN LTD.

ICI Pakistan Limited, are pleased to inform you that our organization is soon launching the **'Graduate Recruit Drive 2022'** for fresh undergraduates and graduates at your university. This program is conducted once a year to add to the talent pool of the organization within commercial and technical streams where our Graduate Recruits are given the opportunity to work in their field of interest alongside experienced professionals and undergo a rigorous one year of continued learning and development that will allow them to exhibit their strategic thinking and analytical abilities.

ICI Pakistan as a company is known for its legacy and rich history where we believe in providing different possibilities to our employees which enable them to achieve their goals and pursue their passion. Our Employee Value Proposition **'One Team, Many Possibilities'** is a reflection of that and highlights the diversity and culture at the company. Hence, the theme of this year's Graduate Recruit Drive is **'Creating Opportunities. Building a Future.'** through which our selected applicants will be given opportunities to grow, develop, build and explore within ICI Pakistan.
