

ICI Pakistan Limited, are pleased to inform you that we are organizing a '**Career Workshop**' for fresh undergraduates, graduates and currently enrolled students at your College/University. This program is conducted to inform the talent pool about ICI Pakistan and push them to acquire continued learning and development that will allow them to exhibit their strategic thinking and analytical abilities in future. The session will be conducted by the senior faculty of ICI Pakistan on career management, interview tips and guidelines, corporate ethics, diversity and inclusion, and other aspects of workplace dynamics.

The Career Workshop will have a duration of 45-50 minutes. It has two main objectives:

- Maintain collaborations between ICI and leading business, science and engineering institutions
- Create new opportunities for the young talent to explore and learn about ICI Pakistan Limited.

Registration is now open for our Career Workshop. You may sign-up on the link below:
