

## RE-EM-POWER

**RE-EM-POWER** requires an (1 number) internee/trainee on urgent basis. The engineer must be well-versed in composing technical write-ups and should have a problem-solving capability.

He/ She must have command over report writing in English is a crucial requirement. The projects based contract shall be for two months. Subsequently, subject to performance and projects, the internee/trainee shall be considered for future assignments.

Presently, the task is full time and can be accomplished remotely (work from home). There shall be visits and trips to site/client from time to time.

Disbursement of stipend of PKR 12,000/- per month (inclusive of all taxes and allowances) shall be made to the internee/trainee.

Interested candidates send their CVs at **aysha.ahmed@re-em-power.com**, with job title in the subject line.

Last date to share CV's is **Monday, November 29, 2021**
