

Business Development and Market Research Interns for a fintech startup, Hysab Kytab (Private) Limited.

Eligibility Requirements:

1. Business Graduates or Final Year Students.
2. Based in Karachi.
3. Excellent Communication and Interpersonal Skills

The team will be responsible for the roll out of the beta version of one of the new products, and gathering insights and feedback from end users along with the following tasks:

1. Create area wise listing of prospects.
2. Reaching out to prospects in the prioritized areas (weekly plan by target numbers) for onboarding.
3. Following up to ensure adoption/engagement and bringing back feedback for improvement.

Fresh graduates or final semester students in **Karachi** are highly encouraged to apply at: **careers@jbs.live**
