EASYPAISA PRESENTS FUTURE INNOVATORS PROGRAM!

WHAT IS THE FUTURE INNOVATORS PROGRAM?

A flagship program that offers hands on IT experience to fresh graduates and working professionals to enhance their skill set. These future innovators will be given an opportunity to take on different responsibilities and roles in various departments to address challenges and come up with viable solutions.

EASYPAISA FUTURE INNOVATORS PROGRAM OFFERS

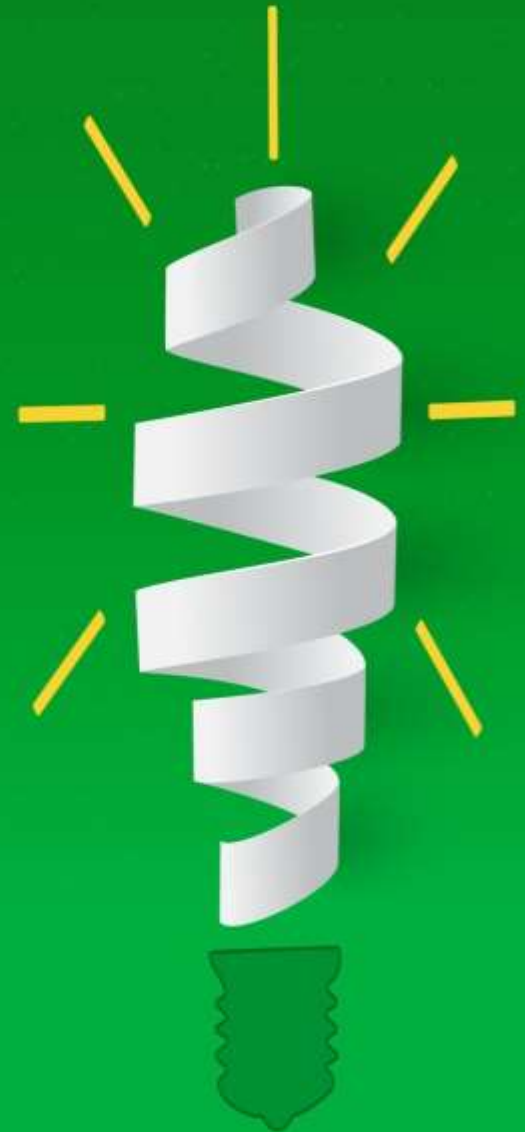

- A bi-annual program that gives a chance to students/alumni of top universities of Pakistan to work on real time business problems/projects.
- 6 months of technology specific on the job training, successful completion of which will lead to a permanent role.

SCREENING PROCESS

25 to 30 trainees will be onboarded in Karachi, Lahore & Islamabad.

The interested candidates can apply at futureinnovators@telenorbank.pk
