

PAKISTAN ATOMIC ENERGY COMMISSION (CERN SECRETARIAT)

Circular

SUBJECT: JOBS/POSITIONS AT CERN

It is circulated for information of all stakeholders that following Jobs/Positions have been announced by CERN and necessary information may be extracted after typing '**Careers at CERN**' on web. Details regarding the post are available in the advertisement.

- i. Transport and Handling technical engineer (Closing date: 05.01.2022)
- ii. Building and Renovation Project Manager (Closing date: 05.01.2022)
- iii. Operator (Closing date: Flexible)
- iv. Applied Superconductivity Senior Scientist (Closing date: 10.01.2022)
- v. Mechanical Technician (Closing date: 10.01.2022)
- vi. Beam Physicist (Closing date: 10.01.2022)
- vii. Civil Engineer/Architect for Surface Infrastructure (Closing date: 14.01.2022)
- viii. Hvac Maintenance Technician (Closing date: 14.01.2022)
- ix. Technician - Spare Parts Storekeeper (Closing date: 16.01.2022)
- x. Electromechanical Engineer Normal Conducting Magnet Development (Closing date: 17.01_2022)
- xi. Civil Engineering Technician - Road & Networks (Closing date: 17.01.2022)
- xii. Senior General Safety Engineer (Closing date: 18.01.2022)
- xiii. Computing Fellowship (many categories) (Closing date: 27.01.2022)
- xiv. Computing Fellowship: Full Stack Web Developer for the ALICE Experiment (Closing date: 31.01.2022)
- xv. Electron Beam Welding Technician (Closing date: 31.01.2022)
- xvi. Technician Training Experience (Closing date: 31.01.2022)
- xvii. Electronics Technician at the ePool (TTE Programme) (Closing date: 31.01.2022)
- xviii. Technical Studentships (Electronics/Electrical, Applied Physics, IT/Mathematics/Robotics, Material and Surface Science, Mechanical Engineering, General/Civil Engineering) (Closing date: 21.03.2022)
- xix. Administrative Student Programme (Closing date: 21.03.2022)

2. The officer/staff having relevance with the post may apply online directly to CERN after **approval of the Competent Authority**. It is pertinent to mention that CERN is not obliged to provide the position to the nominated applicant because it is an open competition among the candidates from **all** the member states and CERN has its own selection criteria.

3. If the nominated officer/staff from PAEC is selected by CERN, he/she may inform the undersigned for processing the case for approval of the Chairman PAEC.
