

31-01-2022

we're hiring!

Are you an experienced Information Security professional looking for a new challenge?

Apply for a chance to work at Engro Corporation in our Information Security team at our **Karachi office**.

Position: Assistant Manager IS Awareness

Requirements:

- Bachelors in Computer Science or Electrical Engineering
- 2 – 4 years of professional experience in information security

Overall Responsibilities:

- Develop, manage and implement a positive security awareness program, which focuses on changing behaviors both at work and at home.
- Demonstrate the ability to think creatively while accounting for multiple perspectives in any given scenario.
- Monitor and identify the top human risks to our organization and the behaviors we need to change to mitigate those risks.
- Incorporate security awareness into classroom and virtual learning, including new hire orientation, new manager training, and other events.
- Scope security awareness campaigns to meet targeted goals

Applicants can apply for the position by 30th January 2022 via the Engro Website (www.engro.com/join-us) to be routed to the career website or follow the link in the caption
