INFORMATION TECHNOLOGY SERVICES

ASSISTANT MANAGER - PUBLICATION

Information Technology Services requires candidates with strong communication skills to perform efficient and timely publication of Journals by following proper managerial guidelines and ensuring quality for customer satisfaction.

The candidate will be responsible for carrying out all the necessary correspondence with the authors and the Editors of the journals, from receiving the manuscripts for complete documentation and processing them completely through the publication cycle.

Requirement:

Candidates holding a Master's degree with O/A levels background (preferably) may apply. A Master's degree in a science subject would be preferred. Candidates who have excellent organizational and multitasking skills, are able to bear work pressure and are committed to meeting deadlines, are encouraged to apply.

Please send us your updated CV/resume on email with subject line "RESUME (AM-PUBLICATION)" at hr@informationtechnologyservices.com.pk with CC to rehana@benthamsience.net.
