

Laravel Developer

Position: Full Time | □ Location: Lahore | □ Salary: PKR 100,000 – 150,000 | Experience: 3-4 years

Airschool is an educational platform that makes it easy for experts to teach live online, build an audience at scale and make money.

We are looking for an outstanding **Laravel Developer** to join our growing software development team. As a developer you will ensure product quality and bring out the best web application by updated standards of application development.

For this position

Your role will include:

- **Ensure HTML, CSS, and shared JavaScript is valid and consistent across applications.**
- **Focusing on the development of all server-side logic, definition and maintenance of the central database, and ensuring high performance and responsiveness to requests from the front-end.**
- **Developing standalone API-based web services for various campaign efforts and applications.**
- **Build efficient, testable, and reusable PHP modules.**
- **Familiarity with SQL/NoSQL databases and their declarative query languages.**
- **Creating database schemas that represent and support business processes.**
- **Solve complex performance problems and challenges.**
- **Convey effectively with all task progress, evaluations, suggestions, schedules along with technical and process issues**

Qualifications & Key Skills

- **In depth knowledge of object-oriented PHP and Laravel 5 PHP Framework**
- **Hands on experience with SQL schema design, SOLID principles, REST API design**
- **Understanding of MVC design patterns**
- **BS/MS degree in Computer Science, Engineering, MIS or similar relevant field.**
- **Proficient understanding of code versioning tools such as Git**

- **Ability to work under pressure and independent entrepreneurial attitude towards work.**

Airschool's focus is on building a terrific team with a motive to learn through sharing expertise and experiences. We are an equal opportunity employer and remote-first company. Every team mate has full autonomy and we believe in shipping fast and moving quickly. If you are interested in working in a fast paced environment with a small team of highly focussed individuals, you would love working with us.

Excited to see you around!
