HIRING NOW | PROJECT MANAGER

As a project Manager at Logicose, you'll get to manage various internet marketing-related projects on daily and monthly basis. These projects will be assigned to you based on your skills and capacity, enabling you to learn and grow.

Key requirement: Outstanding command over spoken and written English.

Shift Timings: 6:00 PM – 2:30 AM OR 10:00 PM TILL 6:30 AM.

Benefits: Company-maintained car or pick & drop, health insurance for you and your spouse, provident fund, EOBI, comprehensive leave policy, bi-annual appraisals and much more.

Job Description:

- Phone, chat and email-based Project Management of Internet Marketing Services for US and other international clients.
- Handle different projects for small to medium sized businesses in the US.
- Work as a liaison between our production team and our clients, including reviewing daily work from the former and forwarding it to our clients.
- Successfully complete and renew assigned projects.
- Collect feedback from clients and communicate revisions to the production team.
- Maintain a weekly project status report & ensure that results are delivered on time.

Required Qualifications:

- Proficiency in spoken and written English.
- Fresh graduates from all disciplines (BBA, BS, BE, MBA, MS etc.) are welcome. Must have a 4 year degree from a reputable university (complete on-job training will be provided).
- Individual with experience in sales, call centers and account management will be preferred.

Salary Range: 75,000 – 200,000 PKR/month plus.

Send your CV to: jobs@logicose.com mentioning the position in the subject line.

Please note: only shortlisted candidates will be contacted.
