

Job Title:

SAP S4 HANA Ariba Consultant

Come and join our award-winning, multidisciplinary team!

Company Overview:

Over the last few years we have been very successful in disrupting the competition and we are now rapidly expanding our team to cement our position as the leading partner for SAP S/4HANA and Finance Transformation Programmes.

Requirement:

- We are looking for driven, entrepreneurial, high achieving and high potential individuals to take our client's SAP and Finance Consulting practice to the next level. Currently, we are looking for an SAP S4/HANA ARIBA Consultant at a Manager Level, to join the team.

Technical Requirements:

- Experience in SAP Ariba, SRM and S/4HANA.
- Knowledge of best practices in Ariba.
- Multiple end to end design and implementation Programmes within Ariba
- Proven experience of Supplier Management, Strategic Sourcing, Contract Lifecycle Management and Procurement.
- Good integration knowledge between SAP Ariba and S/4HANA.
- Knowledge of best practice design and an advisory focus.
- Previous consulting experience / implementation is mandatory.

Key Responsibilities and Activities:

- Functional Consulting within SAP Ariba projects.
- Proactively assisting in the management of a portfolio of clients, reporting to Senior Manager Level.
- Assisting in the financial management and control of client engagements.
- Working in a team across multiple areas of Ariba such as Supplier Management, Source to Contract, etc. depending on project scope and across various stages of the project lifecycle.
- Develop project strategies to solve complex technical challenges for our clients.

- Contributing to managing and delivering large projects by developing the project team, assessing engagement risks throughout, driving conclusions, and reviewing/challenging the output produced by the team.
- Shape and deliver projects to meet and exceed the expectations of our clients and our own quality criteria.
- Train, coach, and supervise team members.

To apply, please share your CVs at hr@talentmine.com.au with the subject line **Ariba /SAP S4 Hana Consultant**. The candidate can work from any of our offices in Pakistan (Karachi, Lahore, or Islamabad) and will be working for an international consulting firm. More details will be revealed to shortlisted candidates.
