### **Sindh Government Launches Job Portal for Employment Opportunities**

The Sindh Government has launched a new job portal aimed at providing employment opportunities to citizens by connecting them with job listings from both government and private sector organizations. This initiative is designed to support the youth by offering a transparent and centralized platform for job seekers.

Sindh Chief Minister Syed Murad Ali Shah, Pakistan Peoples Party (PPP) Chairman Bilawal Bhutto Zardari, Senior Provincial Minister Sharjeel Inam Memon, business community leaders, and other key figures attended the launch ceremony. During the event, Minister Sharjeel Inam Memon highlighted that 65% of Pakistan's population consists of youth, and this portal has been developed to cater to their employment needs.

#### **Key Features of the Job Portal:**

- **Wide Range of Opportunities** – Government and private sector job listings
- **Simple & Free Registration** – Students can create profiles and upload their CVs
- **Direct Employer Connections** – Apply for jobs posted by registered organizations
- **Inclusive for All** – Opportunities for both educated individuals and skilled workers

Please share this information with your students, particularly the graduating batch, and encourage them to register on the portal to explore available job opportunities.

#### **How to Register & Apply?**

1. Visit [www.iwork4sindh.com](http://www.iwork4sindh.com)
2. Sign up as a Job Seeker
3. Upload your CV and browse job listings

This initiative aligns with the Sindh Government's vision of empowering the youth and bridging the gap between job seekers and potential employers. We appreciate your cooperation in disseminating this information and ensuring maximum student participation.
