

Rizq Virtual Winter Internship 2022

The Rizq team would like to formally invite you to take part in our **Rizq Virtual Winter Internship**, scheduled to take place from

3rd January till 14th January 2022.

Rizq is a social enterprise that aims to eradicate hunger and food wastage in Pakistan by using technology powered grass-root actions to reach the most deserving people. Rizq started by collecting excess food, leftover at events, gatherings, and restaurants etc., and distributing it amongst those who needed it the most. With time, hard work, and dedication, our people-powered movement has now become a marketplace for food philanthropy where we enable the provision of Ration boxes, Daigs, School lunches, Qurbanis among others.

Even amid the current pandemic, Rizq is working tirelessly at the frontlines to feed families and provide necessities to those who have been left impoverished. Guided by our fundamental principle—the lack of compassion is true poverty and its abundance is Rizq; we strive towards a Pakistan, built on the values of compassion, sharing and sacrifice, where no one goes to bed hungry.

Rizq then strives to mobilize the youth of Pakistan and provide them a platform to become part of this movement. A salient effort in this regard is our Annual Winter Internship Program, designed to teach the youth about compassion, civic engagement and social entrepreneurship. Unfettered by the pandemic and committed to our resolve of making a compassionate world, we are conducting the **Rizq Virtual Winter Internship Program 2022**. Hosted and conducted by the brilliant students at the **Rizq LUMS Society**, within the internship, we hope to critically engage students through a series of Sessions, Tasks, Workshops and Activities to stimulate creativity, innovation and problem-solving skills. Alongside interactive sessions focusing on Rizq's vision and goals, workshops (presentation making, giving interviews and CV making) will also be conducted to expand and diversify the skill set of our interns. We will also be providing our interns with a platform to apply their knowledge and expertise to brainstorm and collaborate with each other in projects, competitions and assignments, where they will be expected to present their ideas and solutions.

We would be grateful if you could kindly forward this message along to your students and encourage them to take part in this virtual experience. Along with offering excellent experience and a unique learning opportunity, the Rizq Virtual Winter Internship will allow students to recognize their potential in contributing to solve the critical problem of hunger and food wastage and allow them to play their part in creating a compassionate and zero wastage communities.

Our internship is primarily targeted at students who are currently in either their **O levels/Matric, A levels/Intermediate** or are **First or Second-year University students**. The internship application form can be found on all our social media pages and is also mentioned in the email you have received.

Students and encourage them to apply for this virtual experience by clicking on the following **link: <https://forms.gle/pGk5S1UdKuV2JeVbA>**

The last day for applications is **24th December 2021.**

We look forward to having you join us in this year's **Rizq Virtual Winter Internship.**

Best regards,

Musa Aamir
Co-Founder & Chief Strategy Officer, Rizq

Zoya Hashim
President, Rizq LUMS Society
