

**10Pearls** is organizing its flagship event Women Tech Quest 2022 which will be **onsite** in Karachi, Lahore and Islamabad in **March 2022**.

**Women Tech Quest (WTQ)** initiated in 2017, is a platform designed to inspire and encourage women to excel in all walks of the tech industry with the required exposure, mentorship and avenues for economic empowerment. ***This one-day event entails a Software Coding, Testing and UI/UX Design competition for students, professionals and women looking to re-enter the workforce.*** It gives women a platform to assess their tech skills, win cash prizes, prove their mettle and network with like-minded women.

We are announcing Pakistan's biggest women tech competition of the year happening in **Karachi, Lahore and Islamabad on 12th March 2022**. If you think you are the best in coding, testing and design so what are you waiting for? **WONDERING WHY SHOULD YOU PARTICIPATE?**

- win a GRAND cash prize
- exclusive swag kits
- get access to interactive workshops
- invaluable speaker sessions
- a boost in career opportunities and of course, lots of spotlight!

The registration is just a click away, so don't wait too long and GRAB YOUR PASSES now at: **<https://lnkd.in/gCQN4WhU>**
