(For Batch: 2022, Graduated in 2026)
(For Batch: 2021, Graduated in 2025)

JOB DESCRIPTION

We are looking for dynamic individuals who aspire to build a career in a techno-commercial role, combining technical expertise with commercial acumen. The role involves working closely with customers to understand their requirements, provide innovative technical solutions, and deliver outstanding commercial support while fostering long-term customer relationships.

WHAT WE ARE LOOKING FOR

This is a Techno-Commercial role that combines technical knowledge with marketing, business development, and customer relationship management. The ideal candidate should enjoy solving technical challenges while identifying commercial opportunities and creating value for customers.

- Fast learning ability.
- Resolute people focused on goals achievements.
- Ability to do technical adjustments to our products during the production processes of our customers.
- Must show great enthusiasm when collaborating with colleagues to develop effective solutions.
- Creative problem-solving.
- Good communication and social relations skills.
- Bold people with adventure spirit.
- Fresh graduates in Engineering or other technical degrees.
- Long term commitment.

Ready to be part of our team? Last Date to Apply 9th November, 2026
