CGD Consulting is Hiring! Join Our Growing Engineering & Architecture Consultancy Team

Site-based positions in Karachi.

We are looking to expand our site-based team with passionate and experienced professionals for the following positions in Karachi (Site-based roles):

Open Positions:

1. ***Assistant Resident Engineer (ARE)***

Support site operations, ensure quality and safety, and coordinate with contractors and consultants to maintain design compliance.

2. ***Site Inspector – Infrastructure Works***

Supervise on-site infrastructure activities including roads, stormwater, water supply, and utilities. Ensure compliance with technical drawings and specifications.

3. ***Site Inspector – Building & Steel Structure***

Inspect steel erection, civil and structural works for building projects. Ensure construction complies with drawings and approved procedures.

4. ***Quantity Surveyor (QS) – Site-Based***

Verify contractor quantities, evaluate interim payment applications, and assist with variations and cost control as per project contracts.

5. ***Surveyor***

Verify contractor's surveying work including alignment, levels, and as-built records using Total Station, DGPS, and Auto-Level.
