FAMCO ASSOCIATES (PVT) LTD.

A network firm of ECOVIS International

Dated: 4ᵗʰ June, 2025

Division: Information Technology & Cyber Security
Position: Consultant
Office: Karachi

FAMCO Associates – A member of ECOVIS International – is expanding its Local Delivery Team. If you are passionate about cybersecurity and ready to advance your career, we are seeking Consultants in Cybersecurity to join our **Karachi office**.

Responsibilities:
•Assist cybersecurity team and projects from start to finish, ensuring successful delivery within budget and timeline.
•Assist in conducting comprehensive risk assessments and vulnerability analyses for clients' IT systems.
•Contribute to developing and implementing effective cybersecurity strategies, policies, and procedures.
•Assist in providing expert guidance on security best practices, compliance requirements, and industry standards.

Requirements:
•Bachelor's degree in computer science or related field.
•Certifications such as CISA, CISSP, CISM, or CEH would be good to have.
•Fresh to 1-year of experience.
•Basic knowledge of industry frameworks such as NIST Cybersecurity Framework or ISO 27001.
•Understanding of network security principles, encryption technologies, and secure coding practices.
•Excellent communication and presentation skills, with the ability to effectively communicate complex technical concepts to non-technical stakeholders.
•Ability to work independently and collaboratively in a fast-paced environment.

Join our team for exposure on international cybersecurity projects and make a real impact in taking your career to new heights. Apply now at **hr@famco.com.pk** (with the position as the subject line) and be part of our innovative and forward-thinking company!
