# VIBE TRIBE

24-06-2026

**Job Title: Marketing & Partnerships Intern**

**Type:** 3-Month Internship, Full-Time

**Timings:** 9:00 AM – 6:00 PM

**Location:** Remote

**Potential:** May convert into a full-time, long-term role

We are looking for a **Marketing & Partnerships Intern** who is proactive, organized, and interested in influencer marketing, ambassador programs, partnerships, affiliate growth, and social media strategy.

The ideal candidate should be eager to learn, comfortable with outreach, and excited to help build marketing programs from scratch while supporting social media growth and community-building efforts.

**Key Responsibilities:**

- Help create and run ambassador programs, influencer programs, affiliate programs, and partnership initiatives from scratch.
- Research and identify relevant influencers, ambassadors, creators, affiliates, and potential partners.
- Assist with outreach, follow-ups, coordination, and relationship management.
- Help build program structures, outreach lists, tracking sheets, onboarding flows, and basic processes.
- Track influencer/ambassador activity, deliverables, campaign progress, and results.
- Explore affiliate tools, referral tools, partnership platforms, and collaboration opportunities.
- Support in setting up and managing basic affiliate, ambassador, and influencer workflows.
- Assist with social media strategy, content ideas, campaign planning, and growth suggestions.
- Coordinate with internal teams for campaign content, offers, links, creative requirements, and updates.
- Maintain trackers, reports, and databases for partnerships, influencers, affiliates, and social media activities.
- Bring ideas and suggestions for new collaborations, growth channels, campaigns, and community-building opportunities.

**Requirements:**

- Interest in marketing, influencer marketing, partnerships, affiliate programs, and social media growth.
- Good research, coordination, and communication skills.
- Comfortable with outreach through email, Instagram, LinkedIn, or similar channels.
- Organized and able to maintain trackers, lists, reports, and follow-ups.
- Open to learning tools for affiliate programs, ambassador programs, social media planning, and partnerships.
- Creative, proactive, and willing to bring suggestions and ideas.
- Ability to work with deadlines and manage multiple tasks.
- Strong willingness to learn how to build marketing programs and strategies from scratch.

This is a full-time internship for 3 months, with the potential to convert into a long-term full-time role based on performance.

**'SAY NO TO CORRUPTION'**

**Job Title: SaaS & App Development Intern**

**Type: 3-Month Internship, Full-Time**

**Timings: 9:00 AM – 6:00 PM**

**Location: Remote**

We are looking for a **SaaS & App Development Intern** who is tech-savvy, curious, and interested in working with the development team on app features, website backend tasks, funnels, landing pages, and AI-led experiments.

The ideal candidate should have an understanding of WordPress, landing pages, app development basics, AI tools, and vibe coding. This person will support the dev team in researching, testing, building, and improving different parts of the website, app, funnels, checkout pages, and user journey.

**Key Responsibilities:**

- Support the dev team with backend work for funnels, landing pages, and website flows on WordPress.
- Help create and update landing pages, funnel pages, quiz pages, cart pages, and checkout pages.
- Conduct market research on different app add-ons, tools, features, plugins, and integrations.
- Explore and experiment with AI tools and vibe coding platforms to create quick prototypes and test ideas.
- Assist in testing website pages, app flows, carts, checkout pages, forms, links, and user journeys.
- Conduct basic QA testing and flag bugs, errors, broken links, layout issues, or user experience problems.
- Coordinate with the dev team to fix website, app, funnel, or checkout-related issues.
- Support in creating simple apps, tools, pages, or experiments using AI and no-code/low-code platforms.
- Research competitor apps, SaaS tools, add-ons, and features that can improve the product.
- Maintain trackers for bugs, tests, tools, experiments, and development updates.
- Bring ideas and suggestions on how to improve website performance, user flow, user experience.

**Requirements:**

- Interest in SaaS, app development, web development, WordPress, and product building.
- Capability to use ai dev tools like cursor, claude, windsurf
- Basic understanding of WordPress, landing pages, website flows, and user journeys.
- Comfortable using AI tools, no-code/low-code tools, and vibe coding platforms.
- Basic understanding of app creation, funnels, checkout flows, forms, and website testing.
- Strong research skills to explore tools, plugins, add-ons, and competitor features.
- Detail-oriented and able to test pages, identify issues, and document bugs clearly.
- Comfortable working with a development team and following technical instructions.
- Proactive, curious, and willing to learn new tools quickly.
