IT Engineering Fellowship Program 2026 – Batch-II

Location: Karachi

Start Date: 3rd August 2026

Duration: 2 Months

Fellowship Stipend: PKR 30,000 (Total for the Entire Fellowship)

Company: Crescent Care (Pvt.) Ltd. – Pakistan's Leading Healthcare TPA

About Crescent Care

Crescent Care (Pvt.) Ltd. is Pakistan's leading Third Party Administrator (TPA), delivering innovative healthcare claims administration, policy management, and digital solutions to insurance companies and corporate organizations.

We are inviting applications from **fresh graduates** for our **IT Engineering Fellowship Program 2026**. This fellowship provides hands-on industry experience through real-world technology projects in a professional healthcare environment, enabling fellows to work alongside experienced IT professionals on innovative digital healthcare solutions.

Eligibility Criteria

- Fresh graduates with a Bachelor's degree in **Computer Science, Software Engineering, Computer Engineering, Information Technology, Artificial Intelligence, Financial Technology (FinTech)**, or a related discipline.
- Strong programming, analytical, and problem-solving skills.
- Passion for technology, innovation, and continuous learning.
- Ability to work effectively in a collaborative team environment.

Fellowship Areas

Participants may gain practical exposure in one or more of the following areas:

- Software Development
- Web & Mobile Application Development
- API Development & Integration
- Database Design and Management
