Job Opportunity: Assistant Manager – Android Developer

Utopia Industries is looking for an experienced and passionate Assistant Manager – Android Developer to join our Technology team. The ideal candidate will take ownership of Java-based Android applications, develop innovative solutions, and collaborate with cross-functional teams to build scalable and high-performing applications.

Key Responsibilities:

- Manage and enhance existing Android applications.
- Design and develop new modules based on business needs.
- Collaborate with backend teams for API integrations.
- Optimize app performance, security, and reliability.
- Gather requirements and convert them into technical solutions.
- Debug and maintain clean, efficient code.

Requirements:

- Bachelor's degree in Computer Science, Software Engineering, or related field.
- 1+ years of Android development experience using Java.
- Strong understanding of Android SDK, Activities, Fragments & lifecycle management.
- Hands-on experience with REST APIs, SQLite/Room, and Git.
- Strong problem-solving and communication skills.
- Warehouse/Supply Chain domain experience will be a plus.

Location: Gulshan e Maymar, Site 2 Near Ahsanabad, Karachi.

Note:

Interested candidates can with relevant android experience can apply at bilal.pervaiz@utopia.pk & uzma.haider@utopia.pk by mentioning the position (AM-Android Developer) in subject line.
