'SAY NO TO CORRUPTION'

10-07-2026

Position: BESS Engineer – Huawei Energy Solutions

Location: Karachi

Employment Type: Full-Time

Are you a passionate Electrical or Electronics Engineer looking to start your career in the renewable energy industry? Join our team and work with cutting-edge **Huawei BESS, Inverter, and Residential Energy Storage Solutions.**

Key Responsibilities

- Provide technical support for Huawei Battery Energy Storage Systems (BESS), inverters, and residential energy storage solutions.
- Prepare system designs and technical proposals based on customer requirements.
- Deliver technical presentations and recommend suitable energy solutions to clients.
- Assist the sales team with pre-sales and post-sales technical support.
- Participate in Huawei technical training programs and continuously enhance product knowledge.
- Troubleshoot technical issues and provide effective solutions to customers.
- Coordinate with internal teams to ensure successful project execution.

Requirements

- BE/BS in Electrical Engineering or Electronics Engineering.
- Fresh graduates are encouraged to apply.
- Graduates from **NED University** will be preferred.
- Strong technical aptitude and problem-solving skills.
- Good communication and presentation skills.
- Passion for renewable energy and emerging technologies.
