'SAY NO TO CORRUPTION'

17-09-2025

AuVitronics Limited, a company of House of Habib is looking for the below position

Vacancy: Deputy Manager – HSE

Department: Health, Safety & Environment

No. of Position: 01

Location: Port Qasim / HUB Plant

Educational Background:

- Graduation in Environmental Sciences, Occupational Health & Safety, Industrial Engineering, or a related field.
- NEBOSH/IOSH or equivalent HSE certifications are mandatory.

Experience Requirement:

- 4–5 years of relevant HSE experience in a corporate/industrial setup (preferably manufacturing).
- Experience in implementing ISO 14001 & ISO 45001 management systems will be preferred.

Key Responsibilities:

1. Develop, review, and implement HSE policies, procedures, and systems in line with legal requirements.
2. Support Production and Engineering teams in workplace health and safety matters.
3. Conduct internal and contractor safety audits and ensure timely closure of observations.
4. Report incidents and analyze accident/incident statistics to identify trends and preventive measures.
5. Monitor energy, water, waste, and VOC consumption and suggest improvements for reduction.
6. Promote HSE awareness and provide guidance to line management for best practices.
7. Coordinate 5S inspections and weekly "Safety Walks" to drive continuous improvement.
8. Carry out Hazard Identification & Risk Assessment (HIRA) activities with relevant departments.
