'SAY NO TO CORRUPTION'

24-11-2026

VIGISEC
Solutions (Pvt) Ltd.

VigiSec Solutions (Pvt.) Ltd, a Karachi-based technology and systems integration company working on UAV and anti-UAV systems, RF/SDR, surveillance and secure communications for government and corporate clients.

Position: Electronics Engineer / Technician (Multipurpose)
Location: Karachi (on-site, full-time)

Who we are looking for:
- BE/BSc or Diploma in Electrical, Electronics, Telecommunication, Mechatronics or a related field
- Hands-on skills in electronics repair, troubleshooting and soldering
- Basic knowledge of RF and wireless communication
- Exposure to microcontrollers (Arduino, STM32, ESP32, Raspberry Pi) is a plus
- Fresh graduates with strong final-year projects are very welcome

What we offer: hands-on work on advanced UAV, anti-UAV and RF systems, a competitive salary based on experience, and strong learning and growth opportunities.

Interested candidates may send their CV and a short note on a project they are proud of to info@vigisec.com.pk with the subject "Electronics Engineer".
