'SAY NO TO CORRUPTION'

06-08-2026

Position: General Manager – Infrastructure

Job Overview:

One of our clients is seeking an experienced and dynamic professional to lead and manage large-scale infrastructure development projects within a housing society environment. Candidates with hands-on experience in reputed developments such as DHA, Bahria Town, Askari Housing Society, Naya Nazimabad, or Saima Arabian Villas will be preferred.

Key Responsibilities:

- Lead planning, execution, and delivery of infrastructure projects (roads, sewerage, drainage, utilities, etc.)
- Manage coordination with contractors, consultants, and internal teams
- Ensure projects are completed within timelines, budget, and quality standards
- Oversee project planning, scheduling, and resource allocation
- Monitor progress and resolve technical/operational issues
- Ensure compliance with regulatory and safety standards
- Develop infrastructure strategies aligned with organizational goals
- Lead and mentor project teams

Requirements:

- Bachelor's degree in Civil Engineering (Master's preferred)
- 10–15 years of relevant experience in infrastructure development within housing societies
- Strong experience in dealing with contractors and consultants
- Proven leadership and team management skills
- Excellent communication and problem-solving abilities
- Strong knowledge of infrastructure systems and construction practices

Interested candidates may share their resumes via WhatsApp at **0333-0322814**.
