'SAY NO TO CORRUPTION'

18-02-2026

We're Hiring: A.M / D.M BESS (Electrical)

Location: Karachi

Application Deadline: 22 Feb 2026

We are looking for a high-performing A.M/D.M Bess with proven technical acumen in power and energy solutions.

Qualifications & Experience:

- **Education:** B.E. in Electrical Engineering.
- **Experience:** 4-6 years of proven sales experience in the electrical or energy solutions sector, particularly with products like SESS, BESS, and capacitors.

Key Responsibilities:

- Develop and manage sales strategies for advanced electrical and energy storage solutions, including SESS, BESS, and capacitors.
- Identify and pursue new business opportunities to expand the customer base.
- Prepare and deliver compelling technical sales presentations to clients.
- Manage the entire sales cycle — from lead generation to deal closure.
- Maintain strong, long-term relationships with existing clients.
- Collaborate closely with technical and operations teams to ensure high levels of customer satisfaction.

Qualifications & Experience:

- **Education:** B.E. in Electrical Engineering.
- **Experience:** 4-6 years of proven sales experience in the electrical or energy solutions sector, particularly with products like SESS, BESS, and capacitors.
