'SAY NO TO CORRUPTION'

09-03-2026

DP WORLD

POSITION TITLE: Assistant Manager Electronic Control

JOB LOCATION: Port Qasim, Karachi, Pakistan

WHAT YOU WILL DO?

As an Assistant Manager Electronics, you will play a critical role in maintaining and optimizing our terminal equipment's. Your responsibilities includes

- Ensure achievement of equipment KPIs as defined by management.
- Communicate safety alerts and manufacturer-highlighted risks clearly to relevant staff.
- Supervise and execute all types of maintenance (planned, breakdown, and unscheduled) in an organized and efficient manner.
- Adjust maintenance plans as needed—upon superior approval—to meet shift demands and available resources.
- Coordinate with the Operations Department on equipment availability and ongoing work.
- Keep Operations and superiors updated on maintenance progress and timelines.
- Generate and close Job Sheets in IBM Maximo, documenting tasks performed, time spent, and equipment downtime.
- Collaborate with external contractors or consultants for urgent or critical repairs, as directed.
- Represent DP World in a professional and positive manner, adhering to company values, safety standards, and the Code of Conduct.
- Perform any additional duties as assigned by management.

WHAT YOU WILL BRING

- Minimum Bachelor's degree (completed) in Electrical/Electronics Engineering.
- Minimum 3 years of hands-on experience in maintenance of heavy equipment, cranes, RTGs, and automotive systems.
- Strong knowledge of preventive and predictive maintenance practices.
- Proficient in interpreting technical manuals, engineering drawings, and specifications.
- Skilled in using diagnostic/testing tools and maintenance software.
- Hands-on experience with IBM Maximo and MS Office Suite (Word, Excel, PowerPoint, Outlook).
- Must be flexible in working a 12-hour day shift.
