'SAY NO TO CORRUPTION'

01-09-2026

We're Hiring | **Mechanical Engineer**

Al-Noor Lasani is looking for a technically strong and hands-on Mechanical Engineer to join its operations in Interior Sindh.

This is an excellent opportunity for a professional with experience in a continuous process industry who can take ownership of mechanical maintenance, equipment reliability and plant performance.

Location: Interior Sindh

Qualification: B.E. Mechanical Engineering

Experience: Minimum 3 years of relevant experience in a continuous process industry

Key Responsibilities

- * Manage mechanical maintenance and troubleshooting of plant machinery
- * Minimize equipment downtime and improve reliability
- * Plan and execute preventive maintenance activities
- * Monitor equipment performance and identify potential failures
- * Ensure smooth, safe and efficient plant operations
- * Support continuous improvement and maintenance optimization initiatives

Apply Now: Share your updated profile at jobs@alnoorlasani.com

Application Deadline: **15th September 2026**
